

I am being **UNSHAKEABLE**
in my faith by giving:

my time

my money

my stuff

my talent

Name: _____

UNSHAKEABLE

To commit to something means “to pledge to do something that you believe in” or to “give because you trust.” All series long, we've been talking about being unshakeable in following Jesus, trusting Him, putting him first, giving my all to Him, believing in Him, and committing to Him. We have learned that God gives generously to us, so we in turn, should give generously to others.

So what are ways YOU can commit to being generous? To be generous means “to freely give something with a happy heart.” You can give of your time, resources, money, talents, etc. Think through this and come ready to make your commitment on the weekend of November 13.
